TALENT HUNT – 2016

As we all know that every child has under the rose brilliance. Every child is dexterous in some realm. Talent Hunt is a platform for the children where every child gets the chance to show their hidden talents.

DPS Daultpur organised its first 'Talent Hunt', an inter school competition which was held on 12th November 2016, in which 13 schools participated with a great passion and exultation. Mrs. Roy, Mrs. Neelam Ohri and Mr. Arun Raghav were the chief guest in this programme. There were several colourful events in this Talent Hunt like Fancy Dress, Fashion Show, Drawing Competition and Group Song. The students who participated in this Talent Hunt got an opportunity to show their amazing art. CELEBRATIONS AT DPS DAULATPUR (SPECIAL ASSEMBLIES)

DIWALI: Our school witnessed an eco-friendly Diwali week this year. A special assembly was held for one week where speeches were given daily on topics like 'Say No to Crackers' and 'Green Diwali'. Our kids portrayed their artistic abilities by making greeting cards, decorating diyas and Rangoli. Tree plantation was also done by students. The students of higher classes conducted rallies in junior classes displaying posters on eco-friendly Diwali. On last day of the week the whole DPS Daulatpur family lit the number of Diyas. Senior students went to each class and took a pledge that

"Diwali is a Festival to celebrate and Save, not a festival to celebrate and Spoil"

CHRISTMAS: Christmas is the favourite festival of children as they eagerly wait for Santa Claus and gifts. The same excitement and happiness was seen among children of our school when we celebrated Christmas this year. Our two teachers became Santa Claus and presented gifts to all the

children. The Kindergarten kids made crafts especially for the occasion. The students sang Christmas carols and danced merrily to the music. An arrangement was also made for the classroom party where children got tasty snacks from their homes and shared it with their batch mates. In the nutshell it was very enjoyable time spent by kids and teachers together.

REPUBLIC DAY: DPS Daulatpur salutes the Indian Republic. The 68th Republic Day was celebrated in all its solemnity and grandeur at DPS Daulatpur campus on 25th January 2017. Students from Prep Jr to class VI presented various musical events. Some eminent personalities from Haridwar Mr. Ravikant, Mr Lalit Sachdeva, Mrs. Seema Dhyani graced the occasion. The program ended with the Vote of Thanks followed by National Anthem.

BASANT PANCHMI:

ॐ सरस्वति महाभागे विद्ये कमललोचने
विश्वरूपे विशालाक्षि विद्यां देहि नमोऽस्तु ते।

The stated shloka defines how much the Saraswati Pooja is important in the student's life as Maa Saraswati showers her blessings and imparts knowledge with her lotus eyes.

To get blessings of Goddess Saraswati, our school organised a Saraswati Pooja on Basant Panchami where students along with teachers gathered together to pray Goddess Saraswati for which Pandit Ji helped them to make a link with Goddess Saraswati with different mantras and shlokas. Students performed Saraswati Vandana. After Pooja, Prashad with Charnamrit was distributed among the students and all DPS Daulatpur members. As Prashad and Charnamrit is the direct form of blessings from God.

The celebration of Basant Panchmi is incomplete without kites. In our grounds students along with teachers flew kites in the sky which has given them a message that "fly in the sky to reach towards their desired height of success".

Educational institutes honoured for social works

THIRUVARUR, NOVEMBER 22

State Forest Minister Dinesh Aggarwal today felicitated representatives of several government and private schools for their "immense" contribution to academics and other social activities at SIDCUL.

An NGO — Ek Zara Si Koshish — organised the function. Aggarwal, while addressing the gathering, said any noble cause starts with a small step, which later takes a bigger shape and finally brings major change in the societal set up.

The government alone can't bring change in society. Efforts of social organisations is required to cater to the needy section," he said. Padma Shree awardee Khalid Zahid also praised the efforts of Ek Zara Si Koshish. "Recognising and honoring academicians and institutes that have been doing excellent work in the field of education is praiseworthy," he said.
